

EMERGENCY / SEVERE WEATHER ARRANGEMENTS

In the eventuality of snow and icy road conditions, it is essential to have a clearly defined procedure regarding possible school closure.

If severe weather conditions occur overnight or over a weekend, we expect to be able to make a decision by 7.15am on any particular day as to whether or not the school will open. By 7.30am we endeavour to contact local radio and will get a message to Heart FM (FM 97.0 KHz/103.0 KHz - they will also post it on their website) and BBC Radio Devon (MW 990 KHz or FM 95.8 MHz/103.4MHz)

This message will also appear on our facebook page and will be updated if the school is closed.

Breakfast Club: If the weather is bad, Breakfast Club aim to be open by 8am providing the school is open. If in doubt, please phone Lisa Parker on the Breakfast Club phone number.

If there is a serious deterioration in the weather during a school day (ie when the students are already in school), it is possible that it might be necessary to send some, or even all, children home early. We will contact you by telephone if this is the case. This also applies to our After School Club.
